3172. DR. JINENDRA KUMAR JAIN:
SHRI RAM JETHMALANI:

Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to state:

(a) whether it is a fact that the capacity of the food processing industry has substantially increased during the past few years and if so, what was the number of such industries at the end of 1990-91, together with their production capacity; and

(b) the amount given to the Industry by the financial institutions and Government in the form of loan and grant, and whether it is also a fact that some of these units have become sick, and if so, what is their number?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI GIRIDHAR GOMANGO): (a) The capcaity of the food processing industry has increased during the past few years. The installed capacity of major food processing industries is given in the annexure.

(b) Information is being collected and will be laid on the Table of the House.

Production capacity of Maruti Udyog Ltd.

3173. SHRI MENTAY PADMANABHAM: Will the PRIME MINISTER be pleased to state:

(a) what is the maximum production capacity of Maruti Udyog Ltd. per month, for different vehicles;

(b) what has been the production of different vehicles by Maruti Udog Ltd. for the last six months, month-wise break-up;

(c) whether it is a fact that production is being deliberaately kept at a lower level;

(d) what steps Maruti Udog Ltd, is taking market share; and

(e) whether any losses are expected in 1991-92 due to sluggishness in the market?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI P. K. THUNGON): (a) The maximum daily production capacity for the Maruti-800, Omni, Gypsy and Maruti-1000 is 275, 135, 70 and 104 units respectively. Since the verall capacity is limited to 1,30,000 vehicles per annum, the average daily production for the Maruti-800, Omni, Gypsy and Maruti-1000 is 270, 130, 15 and 35 units respectively, i.e. a total of 450 vehicles per day.

(b) The production of different vehicles by MUL for the last six months is indicated in the announced statement. (See below)

(c) MUL has reduced output of the Omni and the 1000 CC Car due to fall in demand.

(d) Despite decrease in sales, MUL's market-share has increased in the past few months. MUL has taken following steps to promote the sales of Maruti vehicles:—

(i) An advertisement campaign for Maruti 1000 was launched in TV and print media,

(ii) Customer-financing scheme has been introduced for Maruti-1000,

(iii) Dealer incentve schemes were introduced for the Omni in the month of October and November, 1991;

(iv) A special offer has been introduced for December, 1991 for supply of 5000 Omnis at reduced price.

(v) An extensive 'field sales' programme has been launched through the dealers' sales personnel which is further supplement ed by local advertising campaigns by the dealers.

(vi) A comprehensive Omni advertisement campaign is currently under preparation and is scheduled to be launched by mid-January, 1992.

(e) The profits in 1991-92 are likely to be lower, in view of the above.
